The following options are available to members of the public to listen to these meetings and provide comments to the Committee Members before and during the meeting:

CALL-IN

Members of the public are encouraged to use the call-in number, which will allow them to fully participate in the meeting without having to be present in person. **Once connected, we request you kindly mute your phone.** Please note, however, that calling in will prevent you from seeing any materials shown by those joining the meeting from a computer. Meeting packets are distributed through the [interested parties database](#) and posted to the Tracy Subbasin website in advance of the meeting.

PUBLIC COMMENT

If you wish to make a written comment on a specific agenda item ahead of time, please submit your comment via email at least 48 hours prior to the meeting. Please submit your comment via email to Senior Water Resources Engineer Venki Narasimhalu, P.E., P.L.S., CCM at vnarasimhalu@sigov.org. Your comment will be shared with the Tracy Subbasin Groundwater Sustainability Agencies members and placed into the record at the meeting. Every effort will be made to read comments received during the meeting into the record, but some comments may not be read due to time limitations. Comments received after an agenda item will be made part of the record if received prior to the end of the meeting.

DISABILITY-RELATED MODIFICATIONS

If you need disability-related modification or accommodation in order to participate in this meeting, please call (916) 418-8277 at least 48 hours prior to the start of the meeting.
